Note.—(1) The figures in column (2) represent actual collections and exclude debts recovered, amounts borrowed, and sale-proceeds of buildings and other property.

(2) To clear off debts amounting to Rs. 20 lakhs, the late proprietor leased out the estate to Mr. R. G. Orr and two others for a period of 32 years from 1st July 1886 on condition that it should be restored free of encumbrances at the end of that term. The property so leased was in the lessee's possession and was excluded from the management of the Court for the period of the lease. It came under the Court's management from 1918-19. Till then only three ayan villages were under the Court's management and the estate's only sources of income were the revenue derived from the three villages in cash and grain, the annual contribution received from the European lessees as the allowance to the Zamindar and the interest realized on Government securities.
